

Singleton Park Details

Location:	OS Grid Reference: SS634919 Postcode: SA2 0AU
Travel directions:	The best parking is at the Rec carpark off Oystermouth Road at bottom of Brynmill Lane, from here you can enter Singleton Park at its south eastern corner.
Terrain:	Large area of Parkland, scattered trees and mature woodland as well as complex area of ornamental gardens. There are no road crossings in the park but it is busy with other users so take care when approaching dogs or cyclists.

Course information: Permanent Course: 24 controls (no 9 and 18 are missing).  
 Start at the red triangle on the map. Below are the descriptions of the control features in both text and pictorial form.
